

“

We have the privilege of having our son attend the school and have found the programming and staff to be exceptional. They developed a comprehensive plan to work with him and understand his needs and abilities. The support has been outstanding, and the school is committed to improving his daily learning and quality of life. - EC

STATE DEPARTMENT OF EDUCATION

Benhaven School, approved by the CT State Department of Education, provides educational and related services to children and adolescents with autism/intellectual disability and related disabilities aged 5 to 22 years old.

DEDICATION

The school is a twelve-month educational program, providing up to 243 days of instruction. The intensive nature of the program is critical to the educational success of our students.

SERVICES

School staff work with the student, family, school district, and other stakeholders to develop the individualized educational plan, celebrate growth and accomplishments, identify areas of concern and problem-solve. The collaborative approach is highly valued. Educational and related services are delivered by a team of professionals and paraprofessionals who are highly trained to work with students with autism and intellectual disabilities in:

- Academics
- Communication
- Community Instruction
- Vocational/Transitional
- Independent Living Skills
- Physical Education
- Adaptive Behavior
- Occupational Therapy
